WEST YORKSHIRE

andscape
about it ?

ashed Landscape is the
is divided east from west
ncashire from York
two great water
people change
culture and the
and nineteen
the story of

The South Pennines

- River
- Watercourse
- Amenity
- Place of Interest
- Point of Interest

The South Pennines Watershed Landscape Heritage Lottery Fund Landscape Partnerships programme

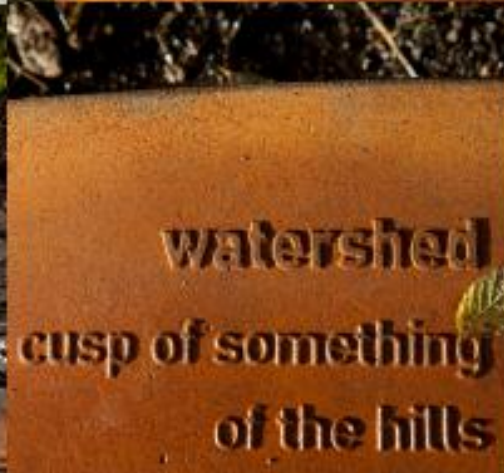

South Pennines LEADER

Funding Rural Regeneration

Supported in partnership by:

...of the carnal
...call their feet
...on its knees to drink
...in each direction
...on its end

clippe
dinner in
ne unbroken thread
nd flex. Soft- soaping a pebble
ousands of years, or here
rain, sawing the hillside in half
in. Or here, where water rubs
gs at the waterfall's face, and
at one stretched white marble
